

STAFF INFORMATION & CHANGES

During this term, we are employing new staff as our business expands into summer. We understand how important continuity is to the development of children's learning. We will ensure that all teachers maintain the high level of teaching that we/you have come to expect here at BWSS.

We would like to wish our receptionist Skye all the very best, as she begins her maternity leave this week for the upcoming birth of her second child.

AMENITIES

- Please use our 10-second showers to rinse off and the changing cubicles located behind the shower block in the unisex change rooms;
- For those needing a longer shower or more privacy, please use the amenities provided in the male/female change rooms;
- Open storage boxes are available in the unisex change room, please use these for your clothes/towel whilst swimming.

SAFETY IN OUR CAR PARK

Please be mindful of the many children and adhere to the speed limit of 10km when arriving and leaving our facility.

Please only park in our designated swim school spots, marked with a blue diagonal line across them. More BWSS spots are available in the basement, please utilise these if all BWSS entry level spots are full (rather than parking in our neighbours' spots). The basement is conveniently sign posted.

For extra safety, we have added a non-slip surface to the pedestrian walkway in the car park. The concrete surface can become slippery with wet feet, so please, where possible use the marked BLUE pedestrian walkway throughout the car park.

10 PASS SQUAD CARDS INTRODUCED

For our adult squad members we have introduced a SQUADS 10 PASS card if Direct Debit is not possible. These cards are \$200.00 for 10 squads and are valid for 3 months – *conditions apply*. Call reception on **9999 3446** to advise which class(es) you will attend each week.

CONDITIONS OF ENTRY

All centre users are entitled to enjoy their activity in a pleasant, healthy and safe environment, therefore the following are NOT PERMITTED:

- Recording devices throughout the facility without a valid media/photo pass displayed. Temporary passes may be obtained from reception upon signature;
- Diving, bombing, back-flips, running or pushing;
- Glass or littering;
- Offensive or dangerous behaviour.

Children under the age of 10 years must be closely supervised by an adult at all times. Users must comply with all reasonable requests made by our staff.
